ATTN: Guitar Dealers

Four years ago a small but epic event began in Ponchatoula, Louisiana. Our vision at that time was to bring a quality guitar show to Southeast Louisiana showcasing vintage, custom built, and new guitars along with a variety of equipment. The success of the shows has more than met expectations.

We are proud to announce our **4th Annual Southeast Louisiana Guitar Show**. The event will be held on September 25th and 26th, 2015. Buyers from four states attended last year's event and dealers were well pleased with their results.

This is a very unique opportunity for you to participate and promote your products without a large price tag. As a vendor, you will be assigned a designated area for display. Electricity is provided upon request. Dealers are asked to set up their booth no later than 3:00 p.m. Show begins at 4:00 p.m. Our staff will be on hand to help with sales and transactions.

Advertising for the event include flyers, signs, and social media including radio, internet, and website. We expect a record turnout this year. Sign up now and be a part of the show!

See attached vendor form for more information. Booth spaces are limited and fill quickly. Please return the completed application, signed, and with payment at your earliest convenience.

Come join the excitement in Ponchatoula, Louisiana on September 25 & 26, 2015! As always, we thank you for your support!
